## **FOR IMMEDIATE RELEASE**

### **Winners of 2016 Best Companies to Work for in New York State Announced**

New York (December 22, 2015) – The New York State Society for Human Resource Management (NYS-SHRM) is very pleased to announce the 80 employers that will be honored as part of its 2016 *Best Companies to Work for in New York State* awards.

The 9th annual *Best Companies to Work for in New York* list is comprised of 80 companies with operations in the state, split into two groups: 45 small/medium-sized employers with 15 to 249 U.S. employees and 35 large employers with 250 or more employees. [A list of honorees is provided at the end of this release.]

All 80 winning organizations will be honored at a public awards dinner to be held at the Albany Marriott on Tuesday, May 3, 2016, from 5:45 p.m. to 9:30 p.m. During the event, the companies will learn where they rank among the competitors in their size category.

In addition, a special publication will profile all 80 winning organizations and their unique employment perks. It will be distributed at the event and sent to higher education institutions, as well as to thousands of human resources professionals and organizations across New York State.

Created in 2007, these celebrated annual awards are part of a distinctive program that evaluates and ranks the best places of employment. This statewide survey and awards program is designed to identify, recognize and honor the best places of employment in New York, whose practices benefit the State's businesses, economy, and workforce.

To be considered for participation, organizations had to fulfill specific registration eligibility requirements, then participate in a two-part survey of employee satisfaction and engagement, as well as workplace practices and policies. Best Companies Group, an independent firm that manages Best Places to Work programs on state, regional and national levels around the world, conducted the survey, then evaluated the results and determined the best places of employment in the Empire State.

The 2016 *Best Companies to Work for in New York State Awards* are presented by Ryan, LLC, as well as supporting sponsor Anchin, Block & Anchin LLP. The program is a partnership of NYS-SHRM, The Business Council of New York, Best Companies Group and Journal Multimedia Corporation.

NYS-SHRM is an affiliate of the national Society for Human Resources Management, the world's largest association devoted to human resources, serving the needs of and advancing the interests of the HR profession.
